## Lateness

These cold and dark mornings are a trial for us all but please remember the impact of arriving late to school. If pupils miss the classroom door opening, they have to report to the office, registration is missed, learning is disrupted for other pupils, learning time lost and catering for late orders difficult. Please try to be on time, classroom doors are open between 8.45—8.55am.

## Attendance Update

For period 13th Oct—1st Dec

**Whole School Attendance: 91.0%**

Class with highest attendance: **Year 2 = 92.7%**

Class with lowest attendance: **Year 1 = 88.2%**

## Bodmin Lights Up !

Join Year 5 & 6 in Bodmin Friday evening at 6pm for the Lights-Up parade! Pupils have been working very hard to make ship lanterns and learn songs for the parade!

## Year 1 Superheroes

Bodmin Fire Service came in to talk to Year 1 as part of their topic on superheroes. Our thanks to the team who gave their time to visit school.

## Safeguarding

If your child is poorly, has a medical appointment or is absent for any other reason it is imperative you phone the school office by 9am and leave a message (Option 1) to let us know your child is safe with you. Failure to do this will result in texts or phone calls from us and possibly a home visit. Thank you.

BRONCHITIS PNEUMONIA  
MENINGITIS CANCER

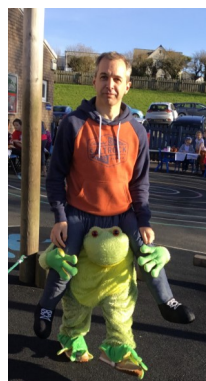

## Smoking with Children in the car is Illegal.

"This legislation is a landmark in protecting children from second hand smoke. Smoking just a single cigarette in a vehicle exposes children to high levels of air pollutants and cancer-causing chemicals like arsenic, formaldehyde and tar, and people often wrongly assume that opening a window, or letting in fresh air, will lessen the damage." said Professor Dame Sally Davies, Chief Medical Officer.

## Children in Need

**Raised £485.81 !!**

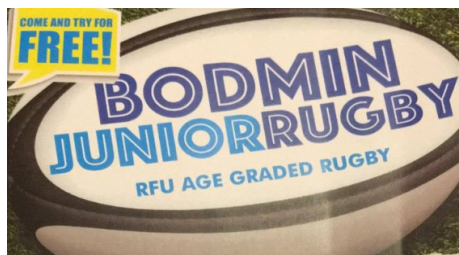

Fantastic effort from everyone.

Many thanks to you all for helping your children dress up, or organise stalls and donating to this important charity.

Pupils from Yr R—6 learnt all about where our food comes from on the farm, some of the processes it goes through to make ingredients and then used them to bake flapjacks! A great learning experience for them all with a real hands-on approach.

## Poppy Appeal

A huge £206.76 was raised by our school for Poppy Appeal! Again, thank you to everyone who contributed.
