

Parking in the layby

We have noticed parents are still stopping and waiting at the bottom of the layby as they drop off children. This is causing a blockage for others as they try to use the drop off layby, which is then backing cars up into the road.

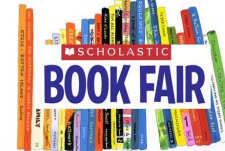

PLEASE drive to the middle of the layby where staff are available to take your children safely into school.

Please **DO NOT** park on the zig-zags in the road, not only is this illegal but it is very dangerous for all.

The Big Pedal

Big Pedal is the UK's largest inter-school cycling, walking and scooting challenge. It inspires pupils, staff and parents to choose human power for their journey to school.

Last year was a great success and 2019 will be even better – because walking is now officially included!

The Big Pedal starts on **Monday 25th** for 2 weeks and we will be recording pupil's journeys to school. We will be entered into the prize draw which means we may win a scooter pod and 2 new scooters! Every mark counts so please join in, walking, scooting or cycling to school.

There will also be different activities for children which will include pedometer challenges, smoothie bike and generator bike. Year 2 parents are invited to join us in the hall on Thursday 21st March at 2.30pm as we have a smoothie bike workshop. All parents welcome to join us from 3—4pm to see the smoothie bike in action.

Absence

Please remember to **phone school if your child is absent.** Either phone or leave a message every morning they aren't in school so we know they are safe. Thank you

St Piran's Day

The Year 4 pupils proudly took part in the St Piran's Day celebrations and were both exceptional with their behaviour, and their performance of the 'Pasty Song' in St Petroc's Church. We even received a letter from the Mayor of Bodmin to congratulate us on the behaviour and performance of our pupils! Well done Year 4's

boats on the river. It was dry enough to enjoy eating lunch outside on the picnic benches too.

as well as orphaned and abandoned children in Bethlehem. There will be a sale after school on **Thursday 28th March** in the playground. Please support us in helping them. Thank you, Year 6

SUGAR SMART There are 2 types of sugar:

HEALTHY

UNHEALTHY

We are engaging with 'Healthy Schools' to try and teach our school family about making healthy choices in our diets. There is often a considerable amount of hidden sugar in the foods we eat and as a nation, we are all eating too much sugar. On average we should only be eating the equivalent of 5-6 sugar cubes a day—one bottle of coke contains 13 sugar cubes, that's more than double our daily intake! Talk to your children about what they've learnt and how much sugar is in everyday foods.

World Book Day and Red Nose Day

Thank you so much to you all for your fundraising contributions and wonderful costumes that make these days fun and memorable.
