## Staff Changes

Many of you will know Paul, who's been our Site Manager here for the last 8 years and has put his skills and hard work into improving our school, inside and out during this time. Many rooms have been altered over the years to accommodate the ever changing requirements of our school. Paul has decided it's time to lay down his tools and will be taking retirement in March. We will be having a collection for him and if anyone wishes to contribute, please see the Office.
